

Technical drawing of the front view of a transformer. The drawing shows a rectangular core with a central winding area. Dimensions are indicated with arrows and numbers:

- Overall width: 6235
- Width of the central winding area: 5225
- Overall height: 6270
- Height of the central winding area: 4200
- Height of the top section: 2070
- Height of the bottom section: 820
- Overall width including mounting feet: 6280

Callouts (circled numbers) point to specific components:

- 11: Top terminal or bushing on the left.
- 7: Top terminal or bushing on the right.
- 6: Side terminal or bushing on the left.
- 16: A component on the bottom center, possibly a tap or a connection point.

The drawing is labeled "B" on the left side, indicating it is the front view (B is the German word for front).
